Additional information

Our mission will continue to provide our Local Community, State of Connecticut Residence & Neighbors, with the most professional artistic services available in this region.

We will bring to light young and unheard-of artists, by showcasing their works of art throughout the Art Gallery, Art Shows & Public Functions. We plan to work hand and hand, collaborating with probation departments and other organizations: YMCA, Boy/Girls Club, Goodwill, Food Banks, Salvation Army, Big Brother Big Sister Program, etc.

We strive for excellence and plan on being a major player and game changer in the community and Town of Plantsville and Southington. It is our intent to be a recognized designated destination as a source of acquiring necessities for the less fortunate youths/families *in need, when in need.*

Studio Think desires being part of any and all community functions: Seasonal, Holidays, Etc..

Previous Body Art Establishments masterminded, designed, built and operated by **Studio Think** Manager, Kriserik Mogensen have upheld an **A+** rating with the **Better Business Bureau**. Attached are selected photos and Mr. Mogensen’s bio. Portfolios are available online of previous build-outs and renovations.
